

**LAKE WORTH DRAINAGE DISTRICT
SOLICITATION ADDENDUM**

Request for Proposal (RFP): 15-9779L.01

Project: GPS Fleet Management System

Addendum Number: 1

Response to Questions:

- 1) Instant Messaging
 - Q:** Does the District have a specific instant messaging system that it uses?
 - A:** No. Instant messaging refers to standard cell phone texting and/or E-mail alerts.
 - Q:** What types of parameters are you referring to?
 - A:** Parameters refers to the specific items that may be referenced in an alert (i.e. outside geo-fence, off-hours operation, speeding, etc.).
 - Q:** What type of hierarchy's are you referring to?
 - A:** Hierarchy refers to the ability to vary who is notified via email or text depending on the parameter
 - Q:** Can you provide a use case?
 - A:** For example, speeding notifications may only need to go to a specific supervisor, but off-hour operations may need to go to the department head.
- 2) GPS mapping
 - Q:** Does the District have a GIS mapping system such as ArcGIS that it would like to integrate to?
 - Q:** Does LWDD utilize ESRI GIS for mapping and GIS analysis?
 - A:** The District utilizes ESRI GIS. Yes, we want the ability to integrate GPS data with our ESRI GIS system in the future.
- 3) Certificate of Good Standing
 - Q:** Can we provide a Certificate of Good Standing and a final Certificate of Insurance only if selected?
 - A:** Yes; however, this will impact the rating under responsiveness, and if the referenced documents are not received timely, the District may reconsider award.
- 4) Driver ID, Card Swipe
 - Q:** What vendor is utilized for the LWDD card swipe system and is the card a smart card or mag stripe card?
 - A:** S2 system and a smart card
- 5) P.O. Conditions
 - Q:** Can the conditions be provided in MS WORD?
 - A:** Yes, upon request
- 6) Installation
 - Q:** Will the GPS units be installed by LWDD staff?
 - A:** Yes. LWDD has on site mechanics who will install the referenced GPS units.

Receipt of Addendum #1 is hereby acknowledged.
