This is not a Request for Bids and there is no solicitation available. The proposed contract action is for product or services for which the District intends to negotiate and award with only one source under the authority of the District's Purchasing Policy, Chapter 7.3.6.3 and Florida Statutes, Chapter 287.057(3)(c). Any responses received as a result of this Notice of Intent shall be considered solely for the purpose of determining whether to conduct a competitive procurement. Responses will not be considered as proposals, bids, or quotes.

**The Lake Worth Drainage District intends to a negotiate single-source procurement to purchase Lovert, a chemical adjuvant used in the treatment of aquatic and nuisance vegetation. The District would contract this procurement directly with Brewer International, the sole manufacturer of the commodity. This is an acquisition with an estimated value of more than \$35,000.**

Interested firms or individuals may identify their interest and capability to respond to the requirement by submitting in writing their name, address, point of contact, telephone number, email, and a statement regarding capability to provide the specified procurement. Interested firms will be considered only if they respond with clear and convincing documentation that they are capable of meeting or exceeding the requirements stated herein. All responses received within seven (7) business days after the date of publication of this synopsis will be reviewed by the District. A determination by the District not to complete this proposed action based on the responses to this notice is solely within the discretion of the Executive Director.

All responses must be in writing and returned to Attn: Reagan Walker, Director of Administrative Services, Lake Worth Drainage District, 13081 S. Military Trail, Delray Beach, FL 33484, Fax: 561.495.9694 or e-mail [rwalker@lwdd.net](mailto:rwalker@lwdd.net). Note the Project Number of the Sole Source information inquiry on all responses.
