INVITATION TO BID
RFB No. 16-9381L.02

Construction and Installation of a SCADA System for Ten (10) Control Structures, Remote Monitoring and Control capabilities and Electrical System Upgrades. Construction will require Structural Work, New Electrical Installations, Radio Communication Systems, Instrumentation and Process Control systems.

The Lake Worth Drainage District (District) is soliciting a Request for Bids (RFB) for the construction and installation of a SCADA System for ten (10) Control Structures, remote monitoring and control capabilities and electrical system upgrades. Construction will require structural work, new electrical installations, radio communication systems, instrumentation and process control systems. This invitation is extended to all qualified firms, contractors, consultants, organizations, persons and joint ventures, which can provide the requirement(s) specified in the Bid documents. Bid documents may be obtained at District Headquarters at 13081 Military Trail, Delray Beach, Florida 33484 beginning Wednesday, August 24, 2016. Bid documents will be provided in an electronic format on a CD. Paper copies are available for \$150.00 (requires 3 days to prepare). A mandatory pre-bid meeting will be held at District offices on September 06, 2016 at 2:00 p.m. All bids must be received at the listed address no later than 4:00 p.m., Wednesday, October 05, 2016, at which time all bids will be publicly opened and tabulated. The bid will be awarded to the lowest responsive and responsible bidder as determined by the requirements stated in the Bid documents.

All bids must be submitted in a sealed envelope, identified as "Sealed Bid RFB No. 16-9381L.02" and addressed to the Project Manager. All inquiries and proposals should be directed, in writing, to the following Project Manager. The District will not accept any verbal inquiries.

Tom Butler, Project Manager
