

**Lake Worth Drainage District
Request for Proposals (RFP) #16-7170L.05
Engineering Design & Construction Phase Services
for Water Control Structure No. 9**

The Lake Worth Drainage District is soliciting a Request for Proposals (RFP) for Engineering Design & Construction Phase Services for Water Control Structure No. 9. This invitation is extended to all qualified firms, contractors, and consultants which can provide the requirement(s) specified in the RFP.

A copy of the RFP may be obtained at District Headquarters at 13081 S. Military Trail, Delray Beach, Florida 33484 beginning Thursday, December 29, 2016. All proposals must be received at the listed address no later than noon on Thursday, January 26, 2017 at noon.

All proposals must be submitted in a sealed envelope, identified as "Sealed Proposal - RFP No. 16-7170L.05" and addressed to the Project Manager. All inquiries and proposals should be directed, in writing, to the following Project Manager. The District will not accept any verbal inquiries.

Tommy Strowd, P.E.
