

## LAKE WORTH DRAINAGE DISTRICT SOLICITATION ADDENDUM

**Request for Bids (RFB):** 17-9886P.07

**Project:** Field Cut Mowing Services of the E-1 Canal

**Addendum Number:** 1

**Date:** February 22, 2018

Per the schedule included in the bid package, additional questions must be received by 4:00pm, Tuesday, February 27, 2018 and responses will be sent no later than 4:00pm on Thursday, March 1, 2018. Bid packages are due by 4:00pm on Monday, March 5, 2018.

Responses to inquiries received prior to February 21, 2018:

***Inquiry:***

*The length of mowing says 26 miles in one place and 40.5 miles on the map for the Slopes. Can you tell me if it is the 40.5 or the 26 miles and exactly how many miles for the flat mowing?*

**Reply:**

The E-1 Canal is approximately 26 miles in total length. This Bid should include 16.8 miles of flat mowing and 40.5 miles of slope mowing along the E-1 Canal right-of-way as depicted in the maps included in the bid package. Some portions of the canal will need to be mowed on both the east and west sides while other portions may only be on one side. Please refer to Exhibit A which depicts the areas to be both flat and slope mowed in red. The areas that are to be only slope mowed are noted in black text.

---

***Inquiry:***

*Are you only going to have it cut 3 times a year?*

**Reply:**

This RFB is for the remaining three (3) quarterly cycles of the 2018 calendar year. This contract for mowing services will be awarded for a one-year term with two (2) one-year renewal options at the District's discretion. Should the contract be renewed for an additional year(s), the portions of the E-1 Canal included in this Bid will be mowed in four (4) cycles for the 2019 & 2020 calendar years based on the per cycle costs submitted with this Bid.

---

***Inquiry:***

*I would like to request a walk through to go and look at what will be expected.*

**Reply:**

**A pre-bid walk-thru has been scheduled for Thursday, March 1, 2018 at 8:00am at the Lake Worth Drainage District office.** Lany Altman, Mowing Crew Leader, will drive representatives along the E-1 Canal to discuss specific portions and answer questions. Minutes from this meeting will be sent out to all Plan Holders following the meeting.
