Dear Mr. Brown:

Please accept this letter as the ninety day notification of canal rehabilitation work to be done along the LWDD L-46 Canal from Glades Road to the LWDD E-4 Canal (LWDD Project No. 16-9387P.05; Job No. A190) pursuant to the Interlocal Agreement between the City of Boca Raton and the Lake Worth Drainage District (LWDD).

Attached is a map showing an aerial photo of the canal and adjacent properties. Also attached is a rough draft of the Initial Notification Letter that is to be sent to the adjacent property owners, along with a list of the adjacent property owners and their addresses. The Initial Notification Letter to the adjacent property owners is currently scheduled to be mailed out and hand delivered the week of February 26, 2018. As reflected in the attached letter, the canal right-of-way is scheduled to be staked the week of March 5, 2018 and the rehabilitation work on this project is scheduled to begin in late April 2018. Let me know if you have any questions or need additional information.

Sincerely,
