

## LAKE WORTH DRAINAGE DISTRICT SOLICITATION ADDENDUM

**Request for Bids (RFB):** 17-9886P.07

**Project:** Field Cut Mowing Services of the E-1 Canal

**Addendum Number:** 2

**Date:** March 1, 2018

Per the schedule included in the bid package, the deadline for questions has now passed. In accordance with Addendum Number 1, a pre-bid meeting was held, Thursday, March 1, 2018 at 8:00am to answer any additional questions. A summary of the items discussed at this meeting appears below.

Bid packages are due by 4:00pm on Monday, March 5, 2018.

### Summary from Pre-Bid Meeting:

- This contract is only for the E-1 canal from the Hillsboro Canal to Okeechobee Blvd. The connecting lateral canals are not part of this bid.
- The areas that are not marked for mowing along the E-1 canal are not accessible due to steep slopes, sidewalks or insufficient right-of-way.
- The portions of the west side of the E-1 canal that are not marked for mowing will be maintained by LWDD with aquatic herbicides.
- The portions of the west side of the E-1 canal that are marked for mowing are only marked for slope mowing. Edging and hand trimming of the guardrail on the west side of the canal is not required. Please refer to the map for which portions of the west banks are to be slope mowed.
- For the portions of the west side of the E-1 canal that can be slope mowed, LWDD has used a chaser truck to help alert traffic to the presence of the tractor. However, please refer to page 13 of the bid package, regarding Contractor responsibility for safety around public roads.

*"When the CONTRACTOR must operate equipment on public streets, CONTRACTOR shall take all necessary safety precautions and furnish all traffic controls in accordance with local, county, Department of Transportation, and/or other government entities having jurisdiction, where partial or complete obstruction of highways, roadways, streets, driveways or sidewalks is required in the performance of the work."*

- Winning contractor will be given an assigned master gate key.
- If you encounter any access issues before or during mowing, contact Lany Altman for instruction.

- Please refer to page 10 of the bid package, regarding potential branches overhanging the mowing area.

*"All entry features, hydrants, sign posts, fence lines and various vertical obstructions shall be edged or hand trimmed within mowing limits. This cost shall be included in the overall mowing expense."*

- Any small plantings within the mowing area are to be removed.
  - This is the first time the mowing of the E-1 canal has been contracted out. A budget has not been set for this individual canal.
-
