**13081 South Military Trail, Delray Beach**

Per initial notification mailed to residents on March 19, 2018, the Lake Worth Drainage District (District) has scheduled rehabilitation work on the L-48 Canal adjacent to your property. This work is necessary to facilitate effective flood control for public safety and provide unobstructed access for emergency flood control response and routine canal maintenance. **The canal rehabilitation work is currently scheduled to begin in mid-July 2018**, subject to weather conditions.

To share project-specific information with affected residents, **the District is hosting an informational Open House Meeting at the Lake Worth Drainage District Office, 13081 South Military Trail, Delray Beach, on Tuesday, July 10, 2018 from 8:00 a.m. - 9:00 a.m.**

The canal rights-of-way have been recently field-staked in this area to identify the District's property interests and project boundaries. Any plantings or vegetation, structures, fences or personal property located and identified within this right-of-way are considered to be encroachments and should be immediately removed by the property owner. Please be advised that any encroachments remaining in the right-of-way at the commencement of the project may be removed and disposed of by the District.

For additional information regarding this canal rehabilitation project, please visit our website at [www.lwdd.net](http://www.lwdd.net) and click on 'In Your Neighborhood' or email us at [info@lwdd.net](mailto:info@lwdd.net).

Per initial notification mailed to residents on March 19, 2018, the Lake Worth Drainage District (District) has scheduled rehabilitation work on the L-48 Canal adjacent to your property. This work is necessary to facilitate effective flood control for public safety and provide unobstructed access for emergency flood control response and routine canal maintenance. **The canal rehabilitation work is currently scheduled to begin in mid-July 2018**, subject to weather conditions.

To share project-specific information with affected residents, **the District is hosting an informational Open House Meeting at the Lake Worth Drainage District Office, 13081 South Military Trail, Delray Beach, on Tuesday, July 10, 2018 from 8:00 a.m. - 9:00 a.m.**

The canal rights-of-way have been recently field-staked in this area to identify the District's property interests and project boundaries. Any plantings or vegetation, structures, fences or personal property located and identified within this right-of-way are considered to be encroachments and should be immediately removed by the property owner. Please be advised that any encroachments remaining in the right-of-way at the commencement of the project may be removed and disposed of by the District.

**Lake Worth Drainage District (LWDD) Office**  
**13081 South Military Trail, Delray Beach**

Per initial notification mailed to residents on March 19, 2018, the Lake Worth Drainage District (District) has scheduled rehabilitation work on the L-48 Canal adjacent to your property. This work is necessary to facilitate effective flood control for public safety and provide unobstructed access for emergency flood control response and routine canal maintenance. **The canal rehabilitation work is currently scheduled to begin in mid-July 2018**, subject to weather conditions.

To share project-specific information with affected residents, **the District is hosting an informational Open House Meeting at the Lake Worth Drainage District Office, 13081 South Military Trail, Delray Beach, on Tuesday, July 10, 2018 from 8:00 a.m. - 9:00 a.m.**

The canal rights-of-way have been recently field-staked in this area to identify the District's property interests and project boundaries. Any plantings or vegetation, structures, fences or personal property located and identified within this right-of-way are considered to be encroachments and should be immediately removed by the property owner. Please be advised that any encroachments remaining in the right-of-way at the commencement of the project may be removed and disposed of by the District.
