Dear HHC SEAGATE HAMLET LLC:

On September 6, 2018, the Lake Worth Drainage District (District) conducted a public meeting to discuss the above referenced project. This project is currently scheduled to begin in early October 2018. As a follow up to the meeting, the District will be conducting a walkthrough with representatives from the City of Delray Beach and the Sherwood Park Civic Association on the afternoon of Monday, September 17th.

Additionally, District staff would like to extend an invitation to meet and discuss project-specific information with affected residents. If you want to meet with District staff onsite, please contact Steve Sherman, Right-of-Way Compliance Coordinator by Friday, September 21st at (561) 819-5580 or at ssherman@lwdd.net to set up a time.

If you have any prior written approvals, agreements, permits, or any other written authorization from the District for any existing encroachments, or any other information relative to any existing encroachment within the canal right-of-way please contact the District as soon as you can so that this information can be reviewed.

Sincerely,

Dear EDDIE ODOM JR. & YVONNE L. ODOM:

On September 6, 2018, the Lake Worth Drainage District (District) conducted a public meeting to discuss the above referenced project. This project is currently scheduled to begin in early October 2018. As a follow up to the meeting, the District will be conducting a walkthrough with representatives from the City of Delray Beach and the Sherwood Park Civic Association on the afternoon of Monday, September 17th.

Additionally, District staff would like to extend an invitation to meet and discuss project-specific information with affected residents. If you want to meet with District staff onsite, please contact Steve Sherman, Right-of-Way Compliance Coordinator by Friday, September 21st at (561) 819-5580 or at ssherman@lwdd.net to set up a time.

If you have any prior written approvals, agreements, permits, or any other written authorization from the District for any existing encroachments, or any other information relative to any existing encroachment within the canal right-of-way please contact the District as soon as you can so that this information can be reviewed.

Sincerely,

Dear JEAN M. & TOMEE C. SMITH:

On September 6, 2018, the Lake Worth Drainage District (District) conducted a public meeting to discuss the above referenced project. This project is currently scheduled to begin in early October 2018. As a follow up to the meeting, the District will be conducting a walkthrough with representatives from the City of Delray Beach and the Sherwood Park Civic Association on the afternoon of Monday, September 17th.

Additionally, District staff would like to extend an invitation to meet and discuss project-specific information with affected residents. If you want to meet with District staff onsite, please contact Steve Sherman, Right-of-Way Compliance Coordinator by Friday, September 21st at (561) 819-5580 or at ssherman@lwdd.net to set up a time.

If you have any prior written approvals, agreements, permits, or any other written authorization from the District for any existing encroachments, or any other information relative to any existing encroachment within the canal right-of-way please contact the District as soon as you can so that this information can be reviewed.

Sincerely,
