

LAKE WORTH DRAINAGE DISTRICT REFLECTIONS

Stormwater Management In Your Community

October 2018

Private Use Of Public Land

Approximately 35,000 property owners located adjacent to an LWDD drainage canal. However, property owners adjacent to the District's canal rights-of-way are not permitted additional use of the right-of-way by virtue of their location. Learn more at

Responsible Resident Keeps the Flow Going

Localized flooding within a residential community can happen quickly. Just a small blockage can increase your community's risk. Watch and see how

one resident keeps stormwater flowing during a rain event
