Diversion & Impoundment

LWDD is classified as a diversion and impoundment water management system by the South Florida Water Management

District. Learn more about this classification and what it means at <http://www.lwdd.net/news/a-diversion-and-impoundment-system>

[READ MORE](#)

Our Board Of Supervisors

The Board of Supervisors consists of 5 individuals with various backgrounds and expertise. Each member is elected by the property owners within LWDD's boundary. Learn more about these individuals and the work they do by watching:

<https://youtu.be/yMjvT1KUgfE>

[WATCH & LEARN](#)

Keeping 750,000 Residents Safe

LWDD removes encroachments, including trees and other landscaping, along its canal rights-of-way for the safety of all its 750,000 residents. Find out more about this important work at <http://www.lwdd.net/canal-maintenance/canal-rehabilitation>.
