**Subject: NINETY DAY NOTIFICATION – LWDD CANAL REHABILITATION PROGRAM
Rehabilitation of the L-31 Canal
from Barwick Rd to E-3.5-4 Canal
Project No. 17-9960P.05; Job No. 226**

Dear Ms. Barletto:

Please accept this letter as the ninety-day notification of canal rehabilitation work to be done along the LWDD L-31 Canal from Barwick Road to the E-3.5-4 Canal (LWDD Project No. 17-9960P.05; Job No. 226) pursuant to the Interlocal Agreement between the City of Delray Beach and the Lake Worth Drainage District (LWDD).

Attached is a map showing an aerial photo of the canal and adjacent properties. Also attached is a rough draft of the Initial Notification Letter that is to be sent to the adjacent property owners, along with a list of their addresses. The Initial Notification Letter to the adjacent property owners is currently scheduled to be mailed out and hand delivered the week of March 4, 2019. As reflected in the attached letter, the canal right-of-way is scheduled to be staked the week of March 11, 2019 and the rehabilitation work on this project is scheduled to begin in mid-May 2019. If needed, the District anticipates scheduling a public information meeting in April 2019 at our office on Military Trail in Delray Beach.

If you would like to meet on site to review the project, please contact Anthony (Tony) Las Casas of this office at (561) 498-5363. Let me know if you have any questions or need additional information.

Sincerely,

Robert Brown
Executive Director
