

LAKE WORTH DRAINAGE DISTRICT

JOB POSTING

Equipment Operator II

General Description:

Skilled position on the Tree or Mowing Crew responsible for the operation of large automotive and moderately complex public works equipment utilized in maintenance operations throughout the District including mowing and tree/vegetation removal. Responsible for operation of equipment used in public works maintenance including, but not limited to, light trucks, tractors, tractor mowers, side boom mowers, stump grinders, chainsaws and other similar equipment. Work is performed either under close supervision or under general supervision when performing routine and/or repetitive work. Work is reviewed by Crew Leader to ensure completion and adherence to instructions and established standards.

Essential Job Functions:

- Skillfully operates public works maintenance equipment such as light trucks, tractors, tractor mowers, side boom mowers, stump grinders, chainsaws and other similar equipment to maintain and remove trees and/or vegetation from District canals and rights-of-way.
- Trains for and demonstrates proficiency in the operation of bucket lift trucks, chipper truck and skid loader.
- As part of District's emergency response role, position may be required to work before, during and after major storm / rainfall events and emergency situations such as hurricanes or other declared emergencies.
- Follows field safety and security protocols and ensures safe operation of all equipment used in mowing and tree/vegetation removal operations. Ensures safety and personal protective equipment is properly utilized.
- Evaluates work conditions prior to beginning work and takes measures to ensure a safe work environment. Promptly reports and/or resolves any potential safety issues.
- Ensures all equipment and supplies are properly maintained and operating effectively and efficiently. Promptly reports any maintenance issues.
- May work as trainee operator on more complex types of trucks and equipment.
- May be temporarily assigned work on other crews, including Heavy Equipment Crew, as needed.
- May be temporarily assigned supervisory responsibilities.
- Operates other machinery and performs other job duties as assigned.

Minimum Qualifications:

Education and Experience

Typically has a high school diploma or equivalent. Possession of a valid Florida driver's license required. May be required to have a CDL Class B with airbrakes certification.

At least one year of demonstrated experience in the operation of large automotive and moderately complex maintenance equipment. Demonstrated satisfactory safety record required.

Knowledge, Skill and Abilities

- Knowledge of equipment, tools and materials used in mowing and/or the removal of trees and vegetation.
- Knowledge of maintenance servicing requirements, operation and adaptabilities, limitations and safety precautions of assigned equipment/tool assigned.
- Ability to detect improper functioning mechanical systems on assigned equipment/tool.
- Ability to read and write and to understand and follow oral and written instructions.
- Sufficient physical strength and agility to perform heavy manual work for extended periods, occasionally in adverse weather conditions.

Essential Physical Skills:

- Acceptable eyesight (with or without correction)
- Acceptable hearing (with or without correction)
- Ability to communicate orally.
- Heavy lifting and carrying (45 pounds and over)
- Equipment operation
- Distinguishing colors
- Swimming
- Reaching, climbing, walking, standing, kneeling, bending, balancing, crawling, and pushing.

Environmental Conditions:

- Works outside in various weather conditions, with regular exposure to hot/humid environment, dust and noisy conditions.
- In or around moving vehicles or equipment
- In or around water
- Heights
- Uneven surfaces
- Radiant and electrical energy
- Due to District's emergency management response role, position is required to provide support before, during and after major storm events and emergency situations.

Salary Grade: Starting \$20.08/hr (\$41,766.40)

Interested candidates should submit an application, along with their resume at <http://www.lwdd.net/employment-application>.
