HERBERT F KAHLERT
9456 ACME DAIRY RD N
BOYNTON BEACH FL 33472

DELIVERED VIA REGULAR MAIL AND HAND DELIVERY

Dear HERBERT F KAHLERT:

**Subject: FINAL NOTICE - Canal Rehabilitation of L-21 Canal - E-1 Canal to Lyons Road & L-23 Canal - Acme Dairy Road to E-2W Canal
LWDD Project #'s 16-9950P.01 (Job #080) & 16-9953P.02 (Job #088)**

Site Address: 9456 ACME DAIRY RD, BOYNTON BEACH, FL 33472

As a follow up to the previous notice mailed and hand delivered on October 11, 2022, please be advised that the Lake Worth Drainage District (District) is scheduled to commence necessary rehabilitation work on its L-21 and L-23 Canals on March 13, 2023.

The limits of the project have been staked by surveyors to identify the boundaries of the District's canal rights-of-way. Any plantings or vegetation, structures, fences, or personal property located and identified within this right-of-way are encroachments and should be removed by the property owner prior to the commencement of this project. **Please be advised that any vegetative encroachments remaining in the right-of-way at commencement of the project will be removed and disposed of by the District.**

Canal rehabilitation work is necessary to facilitate effective flood control for public safety and provide unobstructed access for emergency flood control response and routine canal maintenance. Rehabilitation efforts include removal of vegetative encroachments, removal of structural and non-structural encroachments, dredging of the canal channel, and reshaping or reconstruction of eroding canal bank(s).

If you have constructed or installed any fencing, plantings or vegetation, or any other items within the canal right-of-way of which you are relying on for security purposes, please be advised these are considered encroachments and they will be removed with this rehabilitation project. If you wish to secure your private property, you must do so outside the limits of the canal right-of-way.

If you would like to speak with a representative regarding this specific project, please contact Steve Sherman, Right-of-Way Compliance Coordinator, at 561-819-5580 or ssherman@lwdd.net.

Sincerely,

Brian Tilles, P.E.
